

BLACK WATER

With WHITE FLAGS

It is not surprising to know that the Taliban has washed their white flag in the black waters of the Crusaders. The fighters of the Taliban have been rendered as the puppets of the Blackwater, and their leaders have stood up for the protection of the Crusaders and their churches. Thus, under the shadow of the Crusaders, they came so low against Islam that they started begging them for the withdrawal from the Afghanistan.

Moreover, the Taliban of the Afghanistan have today joined the ranks of the Americans and have become blackwater mercenaries. It is disheartening to witness the successors of Mujahid Mullah Omar fighting against the Mujahideen and leaving Rafidah Mushrikeen and thus deviating from the correct methodology!

The Sunnah of Allah is to replace the ingrate and disobedient people with those who are upon the straight path. **"O you who believe! Whoever from among you turns back from his religion (Islam), Allah will bring a people whom He will love and they will love Him; humble towards the believers, stern towards the disbelievers, fighting in the Way of Allah, and never afraid of the blame of the blamers. That is the Grace of Allah which He bestows on whom He wills. And Allah is All-Sufficient for His creatures' needs, All-Knower" (Al-Ma'idah, 54).**

The path of Jihad and Qital for the sake of Allah is the path of trials and tribulations. The Taliban thought that they would wage Jihad against the Crusaders and claim to be the leaders of the Mujahideen. Yet, they forgot that Allah will surely test them in terms of their lives and wealth. Or think you that you will enter Paradise without such (trials) as came to those who passed away before you? They were afflicted with severe poverty and ailments and were so shaken that even the Messenger and those who believed along with him said, **"When (will come) the Help of Allah?" Yes! Certainly, the Help**

of Allah is near! (Al-Baqarah 214).

Indeed, it is in these trials and tribulations that people show their real colours. Otherwise, one would not know who is who! **Allah will not leave the believers in the state in which you are now, until He distinguishes the wicked from the good. Nor will Allah disclose to you the secrets of the Ghaib (unseen), but Allah chooses of His Messengers whom He pleases. So, believe in Allah and His Messengers. And if you believe and fear Allah, then for you there is a great reward. (Aal-E-Imran 179).**

There are many examples in the history of Islam from Badr to Udud, from Ahzab to Qadisiyyah; that Allah Almighty separated the impure from the ranks of the pure. Every period of the history has witnessed such events that when the tents of truth and falsehood were separated, each person had to choose his side. However, it is a divine tradition that whoever deviates from the religion of Islam, Allah makes them their path easy and Hell is their destination. **In their hearts is a disease of doubt and hypocrisy and Allah has increased their disease. A painful torment is theirs because they used to tell lies. (Al Baqarah, 10).**

We have seen the Taliban fight for decades but after the martyrdom and captivity of their first generation, the second generation planted cannabis and opium all over the country and were used by the agencies as a proxy against the Islamic State, and became neglectful of the religion of Allah. When they became negligent of the religion of Allah, they began to follow the plans of the enemies of Islam. **"But there came after them successors who neglected prayer and pursued desires; so, they are going to meet evil" (Maryam 59).**

The fact is that the Blackwater carries out its missions in Afghanistan through the Afghan Taliban. The Afghan Taliban deviated so much that they allied directly or in-

directly with the American forces in Afghanistan against the Mujahedeen of the Islamic State. The Taliban promised the Americans that it won't allow the land of Afghanistan to be used against the American Crusaders. However, the intellectual war is such that anyone who does not have the knowledge of the Qur'an and Sunnah with the understanding of the companions of the Prophet (PBUH) will soon fall prey to the tactics of the Crusaders. Because the Crusaders have been using the name and legitimacy of Afghan Taliban against the Mujahedeen of the Islamic State so that the common Muslims do not object the tyranny and the transgression.

The flag of the Taliban is the same white flag, their turban is the same as of their ancestors, their food is still as simple as of the past, but the change has come in their methodology, they have deviated from the correct belief and methodology which was of the first generation before them, and they left the path that their forefathers followed. Furthermore, they fell into deviancy so much so that they took the charge of the job which was previously done by the savages of the Crusaders of Blackwater and CIA i.e.; to kill the Muslims and to loot their wealth. The beasts of Blackwater invaded Islamic lands in the past but nowadays we see that the astray fighters of the Taliban are doing it for the Crusaders. Alas!

More so, the world witnessed that the Taliban were in alliance with the Americans in Jawzan, Nangarhar and Kunar and attacked Mujahideen strongholds. Today's Taliban are not the same Taliban of the Mujahid Mullah Omar (RH) but they are the patriots and the puppets of the West and have joined the members of the international crusade against the Muslims and Islam. Rather they have become guardians of the gates of churches and temples, they are not taking commands from the Quran and sunnah anymore but from the Pope and his forces. Thus, unfortunately; the Taliban are fighting against their previous generation's targets and trying to squander the hard work of those who fought tirelessly against the Crusaders.

O the sleeping Taliban fighters! Wake up! And look around yourself, where do you stand? Consider the reason why your leaders love these filthy disbelievers? If their minds and eyes are blind and cannot see anything! open yours and look at the situation, think and reflect! differentiate between your friend and foe! Set your al Wala wa al Bara (associating and disassociating for the sake of Allah) straight and be mindful of your destiny!
